

Transport Loaders

- General Freight / Structural Steel.
- Well above industry wages.
- South Guildford location.

Regal Transport is a division of K&S Freighters who have been providing transport and logistics solutions to the Australian industry for more than 60 years. Becoming a strong market leader within the industry, K&S is increasingly expanding.

With a commitment to 'service all the way', we are seeking like minded experienced transport loaders with commitment to safety, deliveries on time every time, undamaged.

Selection requirements:

- Forklift License (current worksafe).
- General Freight and or Structural Steel experience.
- Load restraint experience.
- Good understanding of mass management, weight distribution per axle.
- Demonstrate good understanding of OH&S.
